

## ICS recent involvement in Control related Conferences, Workshops, Technical events and Control and Automation Journals

- 2022 IEEE 17th International Conference on Control & Automation (ICCA)
- 2023 IEEE CDC held in Singapore, <https://cdc2023.ieeecss.org>
- 2023 IECON held in Singapore, <https://www.iecon2023.org>
- SZ Ge, Fellow, IFAC (International Federation of Automatic Control), 2010.
- SZ Ge, National University of Singapore, Associate Editor, Automatica (a flagship journal of International Federation of Automatic Control (IFAC)), 2004-Present.
- SZ Ge, Vice-chair and Member, IFAC Technical Committee on Computational Intelligence in Control, Nov. 2014-Present.
- SZ Ge, General Chair, the 3rd IFAC International Conference on Intelligent Control and Automation Science (ICONS), Chengdu, China, 2-4 September, 2013.
- Delin Chu, National University of Singapore, Associate Editor, Automatica
- Rong Su, Nanyang Technology University, Singapore, Associate Editor, Automatica
- Changyun Wen, Nanyang Technology University, Singapore, Associate Editor, Automatica.
